

# LIFE IN ANCIENT GREECE

CHARACTER: **ANTIOPE**

TASK 2/5

## 1 HOW IS A DAY IN HER LIFE LIKE?

Complete this table by writing what you think Antiope does at each time of day. You can be inspired by what you already know about her:

| MOMENT OF THE DAY | WHAT DOES ANTIOPE DO? |
|-------------------|-----------------------|
| In the morning    |                       |
| At midday         |                       |
| In the afternoon  |                       |
| At night          |                       |

## 2 WRITE HER DIARY

Imagine that today is an important day for Antiope: she has been invited to the theatre to tell several of her stories. She has to decide which ones to tell and prepare well. Write a fragment of her personal diary describing how the day went. Use the first person:

*I woke up feeling quite nervous, to be honest — that had never happened to me before.*
