

LIFE IN ANCIENT GREECE

CHARACTER: ΕΥΜΑΕΥΣ

TASK 2/5

1 HOW IS A DAY IN HIS LIFE LIKE?

Complete this table by writing what you think Eumaeus does at each time of day. You can be inspired by what you already know about him:

MOMENT OF THE DAY	WHAT DOES EUMAEUS DO?
In the morning	
At midday	
In the afternoon	
At night	

2 WRITE HIS DIARY

Imagine that today is an important day for Eumaeus: he is going to set sail in the morning to an island where there is said to be a chest with very valuable vases. His plan is to return in the afternoon to the port of Athens to sell those vases in the market. Write a fragment of his personal diary describing how the day went. Use the first person:

Today has been a very intense day. I woke up very early, just as the sun was rising, and went to my boat

3 QUESTIONS TO THINK

What part of the day do you think is the hardest for Eumaeus? why?

And which part do you think he enjoys the most? why?

Would you like to live a life like his? why?

What parts of his routine are similar to yours? and which ones are completely different?
