

LIFE IN ANCIENT GREECE

CHARACTER: **MELANIA**

TASK 2/5

1 HOW IS A DAY IN HER LIFE LIKE?

Complete this table by writing what you think Melania does at each time of day. You can be inspired by what you already know about her:

MOMENT OF THE DAY	WHAT DOES MELANIA DO?
In the morning	
At midday	
In the afternoon	
At night	

2 WRITE HER DIARY

Imagine that today is an important day for Melania: in the morning she has to finish a wooden harp because the client is coming to pick it up at midday. In the afternoon there is a harp concert at the theatre and she is invited. Write a fragment of her personal diary describing how the day went. Use the first person:

Today I woke up feeling excited

3 QUESTIONS TO THINK

What part of the day do you think is the hardest for Melania? why?

And which part do you think she enjoys the most? why?

Would you like to live a life like hers? why?

What parts of her routine are similar to yours? and which ones are completely different?
