

LIFE IN ANCIENT GREECE

TASK 4/5

1 PRESENTATION PREPARATION

Imagine you are Melania and you have to introduce yourself to others. Use these phrases to help you build your speech:

- "My name is..."
- "I live in..."
- "I work as a..."
- "I think that..."
- "I dream about..."
- "I'm proud of..."
- "Sometimes I fear that..."
- "I would like to change..."
- "I hope for the future that..."

You can use the following lines to take notes for your speech:

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Here is an idea of how you could do your presentation:

"My name is Melania. I live on a quiet street in Athens, where I have my small instrument workshop. I work to bring music to life through my hands, carving lyres and auloi. I firmly believe that music is a bridge between the human soul and the gods. I dream that my instruments will accompany poets and musicians in every square of Athens. I am proud of the patience and love I put into each piece. Sometimes I fear that artisans like me will be forgotten among the great works. I would like to change the rush with which some seek results without valuing the art. My greatest wish for the future is that music never stops filling our lives."
