

LIFE IN ANCIENT GREECE

CHARACTER: **MENESICLES**

TASK 2/5

1 WHAT IS A DAY IN HIS LIFE LIKE?

Complete this table by writing what you think Menesicles does at each time of day. You can be inspired by what you already know about him:

MOMENT OF THE DAY	WHAT DOES MENESICLES DO?
In the morning	
At midday	
In the afternoon	
At night	

2 WRITE HIS DIARY

Imagine that today is an important day for Menesicles: he is working on placing one of the great columns of the Parthenon. Write a fragment of his personal diary describing how the day went. Use the first person:

Today I started the day early, as always, with the sound of hammers and the voices of my fellow workers. The sun was already high when we began placing one of the enormous columns of the Parthenon. It was heavy work, but we were all motivated.

3 QUESTIONS TO THINK

What part of the day do you think is the hardest for Menesicles? why?

And which part do you think he enjoys the most? why?

Would you like to live a life like his? why?

What parts of his routine are similar to yours? and which ones are completely different?
