

LIFE IN ANCIENT GREECE

CHARACTER: **NICIAS**

TASK 2/5

1 WHAT IS A DAY IN HIS LIFE LIKE?

Complete this table by writing what you think Nicias does at each time of day. You can be inspired by what you already know about him:

MOMENT OF THE DAY	WHAT DOES NICIAS DO?
In the morning	
At midday	
In the afternoon	
At night	

2 WRITE HIS DIARY

Imagine that today is an important day for Nicias: he has a Geometry exam at school and in the afternoon he has to go buy eggs and vegetables at the Agora. Write a fragment of his personal diary describing how the day went. Use the first person:

Today I woke up at dawn. I had bread with honey for breakfast and left for school with my tablet

3 QUESTIONS TO THINK

What part of the day do you think is the hardest for Nicias? why?

And which part do you think he enjoys the most? why?

Would you like to live a life like his? why?

What parts of his routine are similar to yours? and which ones are completely different?
