

LIFE IN ANCIENT GREECE

TASK 4/5

1 PRESENTATION PREPARATION

Imagine you are Nicias and you have to introduce yourself to others. Use these phrases to help you build your speech:

- "My name is..."
- "I live in..."
- "I work as a..."
- "I think that..."
- "I dream about..."
- "I'm proud of..."
- "Sometimes I fear that..."
- "I would like to change..."
- "I hope for the future that..."

You can use the following lines to take notes for your speech:

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Here is an idea of how you could do your presentation:

"My name is Nicias. I live in Athens, near the Agora, with my family. I work hard to learn everything I can at school: letters, numbers, and geometry. I firmly believe that knowledge can make wiser those who seek it. I dream of becoming a philosopher and dedicating my life to thinking and teaching. I am proud of my daily effort, even though I sometimes feel shy about speaking out loud. Sometimes I fear not living up to what is expected of me. I would like to change the fear I feel when I make mistakes. My greatest wish for the future is to discover new ideas that help us understand the world better."
