

LIFE IN ANCIENT GREECE

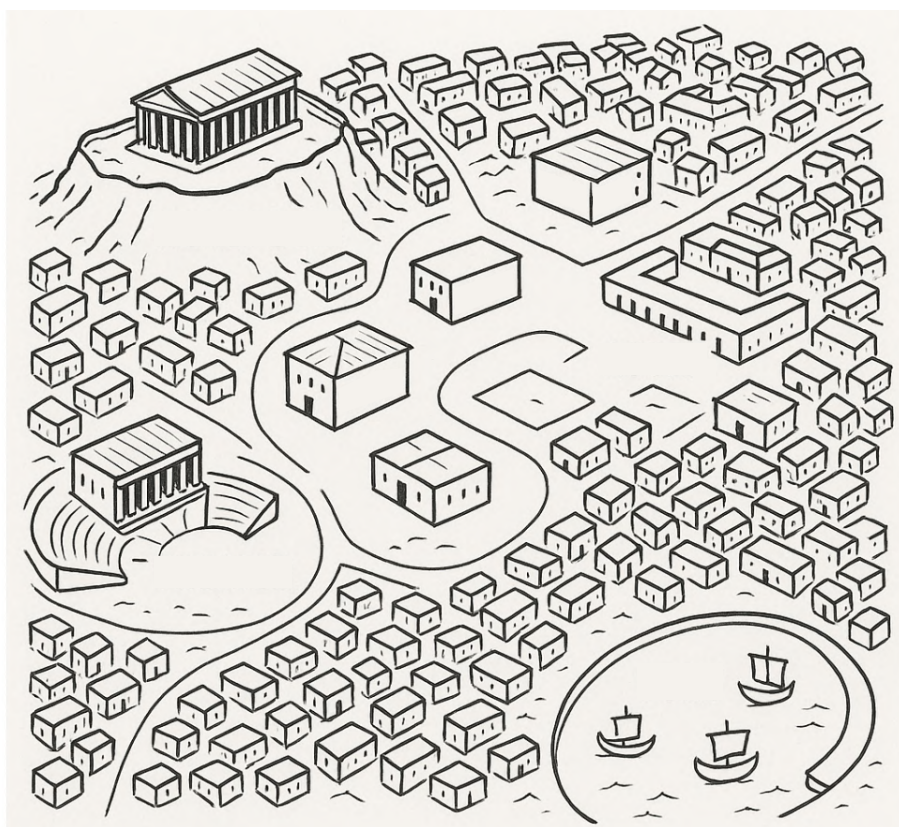

CHARACTER: **NICIAS**

TASK 5/5

1 MAP OF ATHENS

Locate on the map the places that Nicias frequents. You can mark or highlight:

- The school (the paideía)
- His house
- The Agora (where he walks with his father and listens to the wise)
- The Temple of Athena (which he visits with his family)
- The place where he plays with his friends

2 REFLECTIVE QUESTIONNAIRE

What have I learned about Greek society?

What things do I dislike about that time period?

What would you preserve today from that culture?

3 CREATIVE ACTIVITY: DIARY FROM THE FUTURE

Imagine that Nicias travels to the 21st century and sees how children learn today. What surprises him? What does he like? What worries him? Write a diary page in the first person. You can start like this:

Today I entered a school that has no tablets or wax, but shiny objects that show letters and drawings. The children learn by looking at screens and write with their fingers... instead of with styluses! There is no teacher with a stick, but everyone seems quiet just the same. I wonder if they ask the same kinds of questions I used to ask...

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
