

LIFE IN ANCIENT GREECE

CHARACTER: **TIMEA**

TASK 2/5

1 WHAT IS A DAY IN HER LIFE LIKE?

Complete this table by writing what you think Timea does at each time of day. You can be inspired by what you already know about her:

MOMENT OF THE DAY	WHAT DOES TIMEA DO?
In the morning	
At midday	
In the afternoon	
At night	

2 WRITE HER DIARY

Imagine that today is an important day for Timea: she plans to sneak into the Library and take a book about Aristotle to read in secret at home. Write a fragment of her personal diary describing how the day went. Use the first person:

Today I woke up next to my husband, made him breakfast, and while he went off to work, I stayed behind tidying up the house — but the whole time I was thinking about my secret plan

3 QUESTIONS TO THINK

What part of the day do you think is the hardest for Timea? why?

And which part do you think she enjoys the most? why?

Would you like to live a life like hers? why?

What parts of her routine are similar to yours? and which ones are completely different?
