

LIFE IN ANCIENT GREECE

TASK 4/5

1 PRESENTATION PREPARATION

Imagine you are Timea and you have to introduce yourself to others. Use these phrases to help you build your speech:

- "My name is..."
- "I live in..."
- "I work as a..."
- "I think that..."
- "I dream about..."
- "I'm proud of..."
- "Sometimes I fear that..."
- "I would like to change..."
- "I hope for the future that..."

You can use the following lines to take notes for your speech:

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Here is an idea of how you could do your presentation:

"My name is Tímea. I live in Athens, in a house with a courtyard, together with my husband and my sister-in-law. I work to keep the home in order, but my mind works in secret to learn. I firmly believe that women also have the right to think and to philosophize. I dream of sitting in the Agora and listening to the wise without having to hide. I am proud of not giving up, despite the rules that surround me. Sometimes I fear being discovered and being stopped from reading. I would like to change the idea that only men can teach. My greatest wish for the future is that all girls can study without fear."
